

NOTICE OF TRAFFIC COUNT PROJECT

Wednesday, September 17 & Thursday, September 18, 2025

As part of the data collection for our Active Transportation Plan, our contractor, Watt Consulting, will be set up at Lantzville intersections to count vehicles, pedestrians and cyclists on **Wednesday, September 17, and Thursday, September 18, from 7-10am and 230-530pm.**

Intersection Locations: Lantzville Rd & Superior Rd, Lantzville Rd & Dickinson Rd, Lantzville Rd & Ware Rd.

The cameras will only collect data at these designated times, and they will not collect any personal information such as license plates or personal identifiers. The Ware Rd intersection will be counted manually by a data collection person.

Questions can be directed to the District Office. 250.933.8083 or district@lantzville.ca

Notice: Bulletin Board/Website September 15,2025.
